Sub:-Establishment - Government Hospital, Puttur - South Kanara District - appointment of additional compounder sanction of -

It is represented by the District Medical Officer, South Kanara that at present there is only one compounder at the Government Hospital, Puthur and he is attending to both the In-patient and out-patient departments. Also he has to attend to all correspondence in the office, viz. preparation of all returns, daily diet account, preparation of pay bills etc. as no clerk is posted for the hospital, the daily average of in-patient attendance not having exceeded 30.

A statement showing the statistics of in and out-patients treated in the hospital during the last three years and during 3 months of the current year is furnished in Annexure I. A Compounder is allowed for every 75 in-patients and an additional compounder for every 100 out-patients. In view of the large out-patient attendance in the hospital, I recommend that an additional compounder may be sanctioned to relieve the permanent compounder of the

of the pressure of work. The extra cost involved on account of the proposal is shown in the Annexure-II.
